

### INDICATIONS FOR USE

- Formulated to protect skin from the harmful effects of urban environments, smoke, sun damage and excessive sugar in food.
- Allergy tested, scientifically formulated, *non-irritating* anti-aging treatment, recommended for *all skin types*.
- Apply as base with MEG 21 products, sunscreen or alone before exposure. Lightweight, always silky.
- Contains Supplamine, a unique patented *anti-glycation* formulation, plus *Indian gooseberry* and *grape seed extract* for ultimate skin-cell therapy.
- Packaged in an airless jar. Pump's unique dispenser protects against air exposure and contamination. Retail size: 1.0 oz. (30g).

## CELL THERAPY ANTI-OXIDANT BOOST

**MEG 21 Anti-Oxidant Boost** with Supplamine® combines the power of Supplamine with anti-oxidant extracts of Indian gooseberry and grape seed to provide the ultimate skin-cell therapy to fight skin stress resulting from glycation, free radicals and oxidative stress. With the added anti-oxidant boost, this lightweight treatment will not only reduce the appearance of fine lines and wrinkles but also reduce irritation, to give your complexion a more youthful, radiant glow.

### CLINICAL STUDY WITH SUPPLAMINE

#### POSITIVE RESULTS AFTER 28 DAYS — APPLIED TWICE A DAY

*Patients' skin displayed: an increase in elasticity and collagen, smoother and firmer skin, fewer wrinkles, more hydration.*

*While reducing: oxidative stress, inflammation, free radicals, collagen depletion.*
