

Cell Therapy ANTI-OXIDANT BOOST WITH SUPPLAMINE®

- Formulated to protect skin from the harmful effects of urban environments, smoke, sun damage and excessive sugar in food.
- Allergy tested, scientifically formulated, non-irritating anti-aging treatment. Recommended for all skin types.
- Apply under MEG 21 products or sunscreen before exposure. Lightweight, always silky.
- Packaged in an airless jar. Pump's unique dispenser protects against air exposure and contamination. Retail size: 1.0 (30g).

HOW SKIN DAMAGE OCCURS

Inflammation, glycation, and oxidative stress cause skin aging. Supplamine stops the process and allows the skin to rejuvenate itself--scientifically.

Features

Benefits

SUPPLAMINE

Patented ingredient to intercept and reverse glycation, inflammation and metabolic oxidation caused by 3DG sugars in the skin

Comfrey Root Extract

Moisturizer, anti-inflammatory and a natural source of B12

Evening Primrose

Clears pathway to allow barrier penetration

Grape Seed

Potent antioxidant

Gooseberry Extract

Rich botanical source of vitamin c and an anti-inflammatory

Glucosyl Hesperidan

Highly soluble flavonoid compound that increases circulation to promote healthy complexion; source of antioxidant and skin brightener and reinforces collagen

Hydrolyzed Soy Protein

Water binding agent for moisture retention; contains isoflavones that prevent hormonal aging in skin

Vitamin E

Healing antioxidant
