

# Bright & Firm Eye Treatment

Indications for use:

- Recommended for all skin types.
  - Contains botanical extracts to reduce the appearance of puffiness and dark circles.
  - Allergy tested, scientifically formulated, non-irritating anti-aging eye treatment.
  - Packaged in an airless jar. Pump's unique dispenser protects against air exposure and contamination.
- Retail size: .5 oz. (15g).

## HOW SKIN DAMAGE OCCURS

Inflammation, glycation, and oxidative stress cause skin aging. Supplamine stops the process and allows the skin to rejuvenate itself--scientifically.
