

Smooth Radiance FACE TREATMENT WITH SUPPLAMINE

- Rich, luxurious texture in liposomal delivery ensures absorption for hydrated, resilient skin tone
- Allergy tested, scientifically formulated, non-irritating anti-aging treatment, recommended for all skin types.
- Supplamine was serendipitously discovered during clinical diabetes research and is formulated specifically to boost natural collagen production in skin cells to add glow, smoothness and resilience to face skin.
- Great under makeup, sunscreen or moisturizer.
- Packaged in a protective airless jar. Pump down to dispense product. The self-rising mechanism allows for good-to-the-last-drop usage. Retail size: 1.7 oz. (50g).

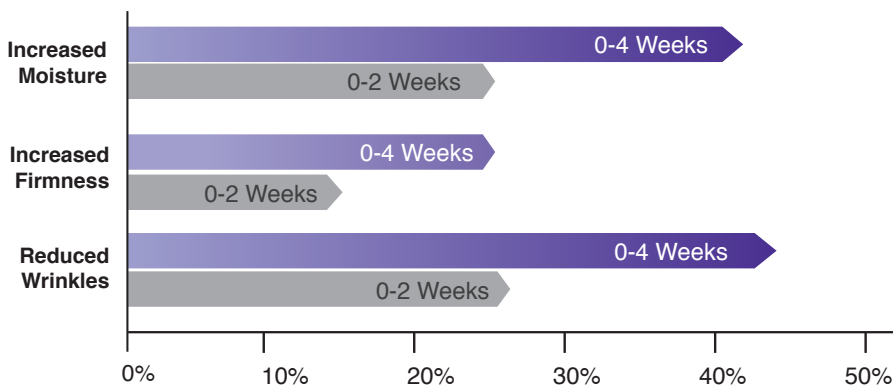

HOW SKIN DAMAGE OCCURS

Inflammation, glycation, and oxidative stress cause skin aging. Supplamine stops the process and allows the skin to rejuvenate itself--scientifically.

CLINICAL STUDY WITH SUPPLAMINE-SKIN IMPROVEMENT IN 2 WEEKS OR LESS

MEG 21 Cream with Supplamine increased moisture by 45%, increased appearance of firmness by 25% and reduced fine lines and wrinkles by 43% in four weeks.
